

We thank you for your interest in the Sothys brand and our products!

Our products are designed to be used by aesthetic professionals trained in Sothys brand care protocols.

To optimize the benefits of our care protocols and allow you to extend your beauty experience at home, our professional partners will be able to offer you Sothys products adapted to your needs and your skin.

You can also find our products for sale on the Internet. Indeed, the Sothys brand offers in France to its authorized resellers the setting up of eshops dedicated to Sothys products.

17/12/2024

In this respect, we warn you against the sale of Sothys products on the Internet by operators who do not belong to the Sothys network of approved professional dealers.

The utmost vigilance is necessary because by acquiring these products outside our network of dealers you expose yourself to risks: products that have passed their use-by date, products stored in poor conditions, professional products not intended for personal use, products that do not comply with the regulations in force in your country, potentially counterfeit products, etc.....

For this reason, we decline all responsibility for the authenticity, safety, efficiency and quality of Sothys products that are put on sale on the Internet by operators who do not belong to the Sothys network of approved professional dealers.

In particular, the websites listed below claim to sell authentic Sothys products, but do not belong to the Sothys network of approved professional dealers: aliexpress.com, bellcosme.com, cosmeticsonline.net.au, cosmystore.org, desertcart.ae, ebay.com, ecbeauty.hk, fado.vn, freshbeautyco.com.au, ibeautysource.com, lazada.com (except lazada.com.my), loverte.com, Makeup , mydeal.com.au, netsaypro.com, nzsale.co.nz, qoo10.jp, rakuten.com, shopee.com (except shopee.com.my) strawberry.net.com, Vivantis.

For more information about our approved dealers, please contact us at infos@sothys.com
